Thanks for the info. We are working on it, but we really need the info. from legal to respond to their concerns. We are in communication with them. I've asked them to wait until they hear what our lawyers have to say next week. They said that they would, but they are not optimistic.

Let's all say a cheer for our wonderful legal eagles to surprise the world!!

In follow-up to the S.C. Restaura[illegible] ommodation program I called the ex. dir. Tom S[illegible] hat he had had a conversation with the I[illegible] ncerned about the workers comp. implica[illegible] ie point that they may not indorse the program[illegible] d to pass the info along and assured me tha[illegible] the program 100% to the point that they are d[illegible] nks
